

# PRAYER DIARY 2025

May - June Edition

**THANK YOU**

**Dear Prayer Partner,**

Have you ever paused to consider that when you pray for others, you're following in the very footsteps of Jesus? What a humbling and deeply moving truth.

In Luke 22:32, Jesus prayed that Simon's faith would not fail - and in John 17, we see His deep, heartfelt intercession for all believers. Even now, He continues to intercede for us (Romans 8:34).

We're truly grateful for your prayers and the vital part you play in the work of the Mission.

With sincere appreciation,

**Mark**

## **SELF-SUFFICIENCY: MOLDOVA**

Our self-sufficiency support in Moldova is designed to help families and individuals start or develop small businesses or increase their earning capacity in other ways.

For some, this means providing agricultural support, in the form of seeds, greenhouses or machinery. In other cases, we equip people to use their skills to set up businesses in areas such as hairdressing, baking, or tailoring.

The purpose of this investment is to help families and individuals increase their incomes and become more financially stable.
